

BASE FLOOD ELEVATION AND SITE ELEVATION CERTIFICATION

I, Scott C. Davis, a registered Professional Land Surveyor in the State of Colorado do hereby certify that the base flood elevation for the area known as Block 2, Stratmoor Valley Sixth Filing, as recorded in Plat Book I-2 at Page 87 of the records of the Clerk and Recorder, El Paso County Colorado, is 5775 feet above Mean Sea Level (NGVD '29), per Flood Insurance Rate Map Community Panel Number 080059 0287D. I further certify that the elevation at the street in front of Lot 7 of said subdivision is 5772.45 feet above Mean Sea Level (NGVD '29), based on field measurements relative to RM 51 which is shown on said Flood Insurance Rate Map.
